MARKETING AND COMMUNICATIONS INTERNSHIP

Are you interested in marketing & communications?
Are you creative with strong interpersonal skills, and have a good eye for design? Then we are offering you an opportunity to work and improve your skills here at ASTP!

WE ARE LOOKING FOR

- Bachelor's student of Marketing, Media, Journalism or comparable studies
- Full time available for 3 to 6 months
- Excellent oral and written English
- Proficiency in IT, with understanding of web editing, and design software Adobe Cloud (InDesign, Photoshop and Illustrator are pre-requisites).
- Resourceful, creative and proactive
- Strong attention to detail

YOUR INTERNSHIP

- You will be working under the general supervision of the Head of Communications and Marketing
- Your primary tasks will relate to the communication and marketing of our events and to our community
- You will share responsibility for website coordination, marketing support, programme design and social media design and output

Internship Period: February until the end of June or September until the end of January
